## Jeffrey Elliot Teye Osom

Hi, my name is Jeffrey, and EBT taught me a new language. That's the language of possibility. Dubai says, if you can dream it, you can do it. I dream of being a translator, not in Arabic or English, but to help children communicate in silence, in behavior, and in movement. This training gave me the vocabulary. My learning journey has been fluency training. Before, I had the compassion. Now, I have KHDA Credentials, and real strategies.
I learned how to decode sensory overload.

## Nagoor Fathima Asra

Hello, everyone. My name is Nagoor Fathima Asra. I have completed my post-graduation diploma in TEFL. I would like to sincerely thank each and everyone from EBT as well as ACT for their continuous encouragement, support, and dedication throughout this journey.
I hope I just... It's like... It's okay. Thank you so much.

## Padmavathy Seshadri

Hi, good evening. I'm Padmavathy Seshadri. I'm delighted to receive my graduation in East Bridge Training. Many thanks to my mentor, Ms. Aditi, Ms. Yasmin, and Ms. Ayesha. I’m very much grateful to my facilitators, Mr. Chris, as well as Dr. Neil and Dr. Jannet. Very much grateful to them and to my family. Thank you.
